Objective To transfer my skills and experiences in the worlds of product, interaction, and furniture design to an internship or entry-level position

Education **BFA in Industrial Design**, May 2008
Carnegie Mellon University, Pittsburgh, PA

Experience **Curator's Assistant**, Carnegie Museum of Art, Summer 2008
- Conducted research and cataloging for an upcoming exhibit of the work of Pittsburgh design firm Peter Muller-Munk Associates

Industrial Designer & Teaching Assistant, Robot250, Summer 2007/2008
- Designed and built interactive robot devices for environmental sensing, designed curricula and taught robotic arts seminars across Pittsburgh

Interaction Designer, Firefly Sensor Networks, Fall 2007
- Sketched, developed, and prototyped concepts for new RF technology ID devices

Space & Furniture Designer, Solar Decathlon 2008
- Designed the interior space of an ultra-efficient solar house as part of a team, designed and assembled custom storable furniture

Woodworking Assistant, Arimoto Design + Woodworking, Fall 2006
- Volunteered under Japanese woodworker Tadao Arimoto, co-designing, fabricating, and finishing hand-made furniture

Recognition **Semi-Finalist**, CHI Student Design Competition 2008
- Conducted on-site research and designed a public space intended to assist homeless urban citizens. Defended the design to a panel of judges in Florence, Italy

Eagle Scout, Boy Scouts of America
- Awarded the BSA's highest rank, after completing a 100 man-hour service project

Skills Adobe Creative Suite
SolidWorks, Rhinoceros, & Pro/Engineer 3D modeling software
Processing programming environment
Woodworking/physical prototyping
Investigative research/user testing
